A cres and acres of huge space has been made available because we wanted flexible spaces that would adjust over the next 100 years of education and increased student collaboration.

Foreword

T. Harigopalan M.A., LL.B.,
Honorary Chairman

The purpose of education is to turn 'Mirrors into Windows'. Sunbeam provides multi dimensional opportunities for the individual development of every child. We understand that each child is unique. Sunbeam strives to move beyond the traditional 'Academics centered' education towards a 'Personality centered' education system. Our pedagogy is an integration of knowledge, skills, ethics, morals and social inclusion. In a rapidly changing world, the pursuit of excellence is at the heart of the schooling experience in Sunbeam.

Parents and families of students are welcome to our sunbeam campus anytime. They may support us by helping us in providing better quality education, leading after school clubs, supporting in remedial sessions and meet together to strive for the betterment of our students and teachers.

Sunbeam believes that the goal of any education is to see the children excel not only academically but grow in character as well.

The sense of community, team spirit and patriotism at Sunbeam is so strong. You see it within not just the teachers and the students but the teachers, parents and the students

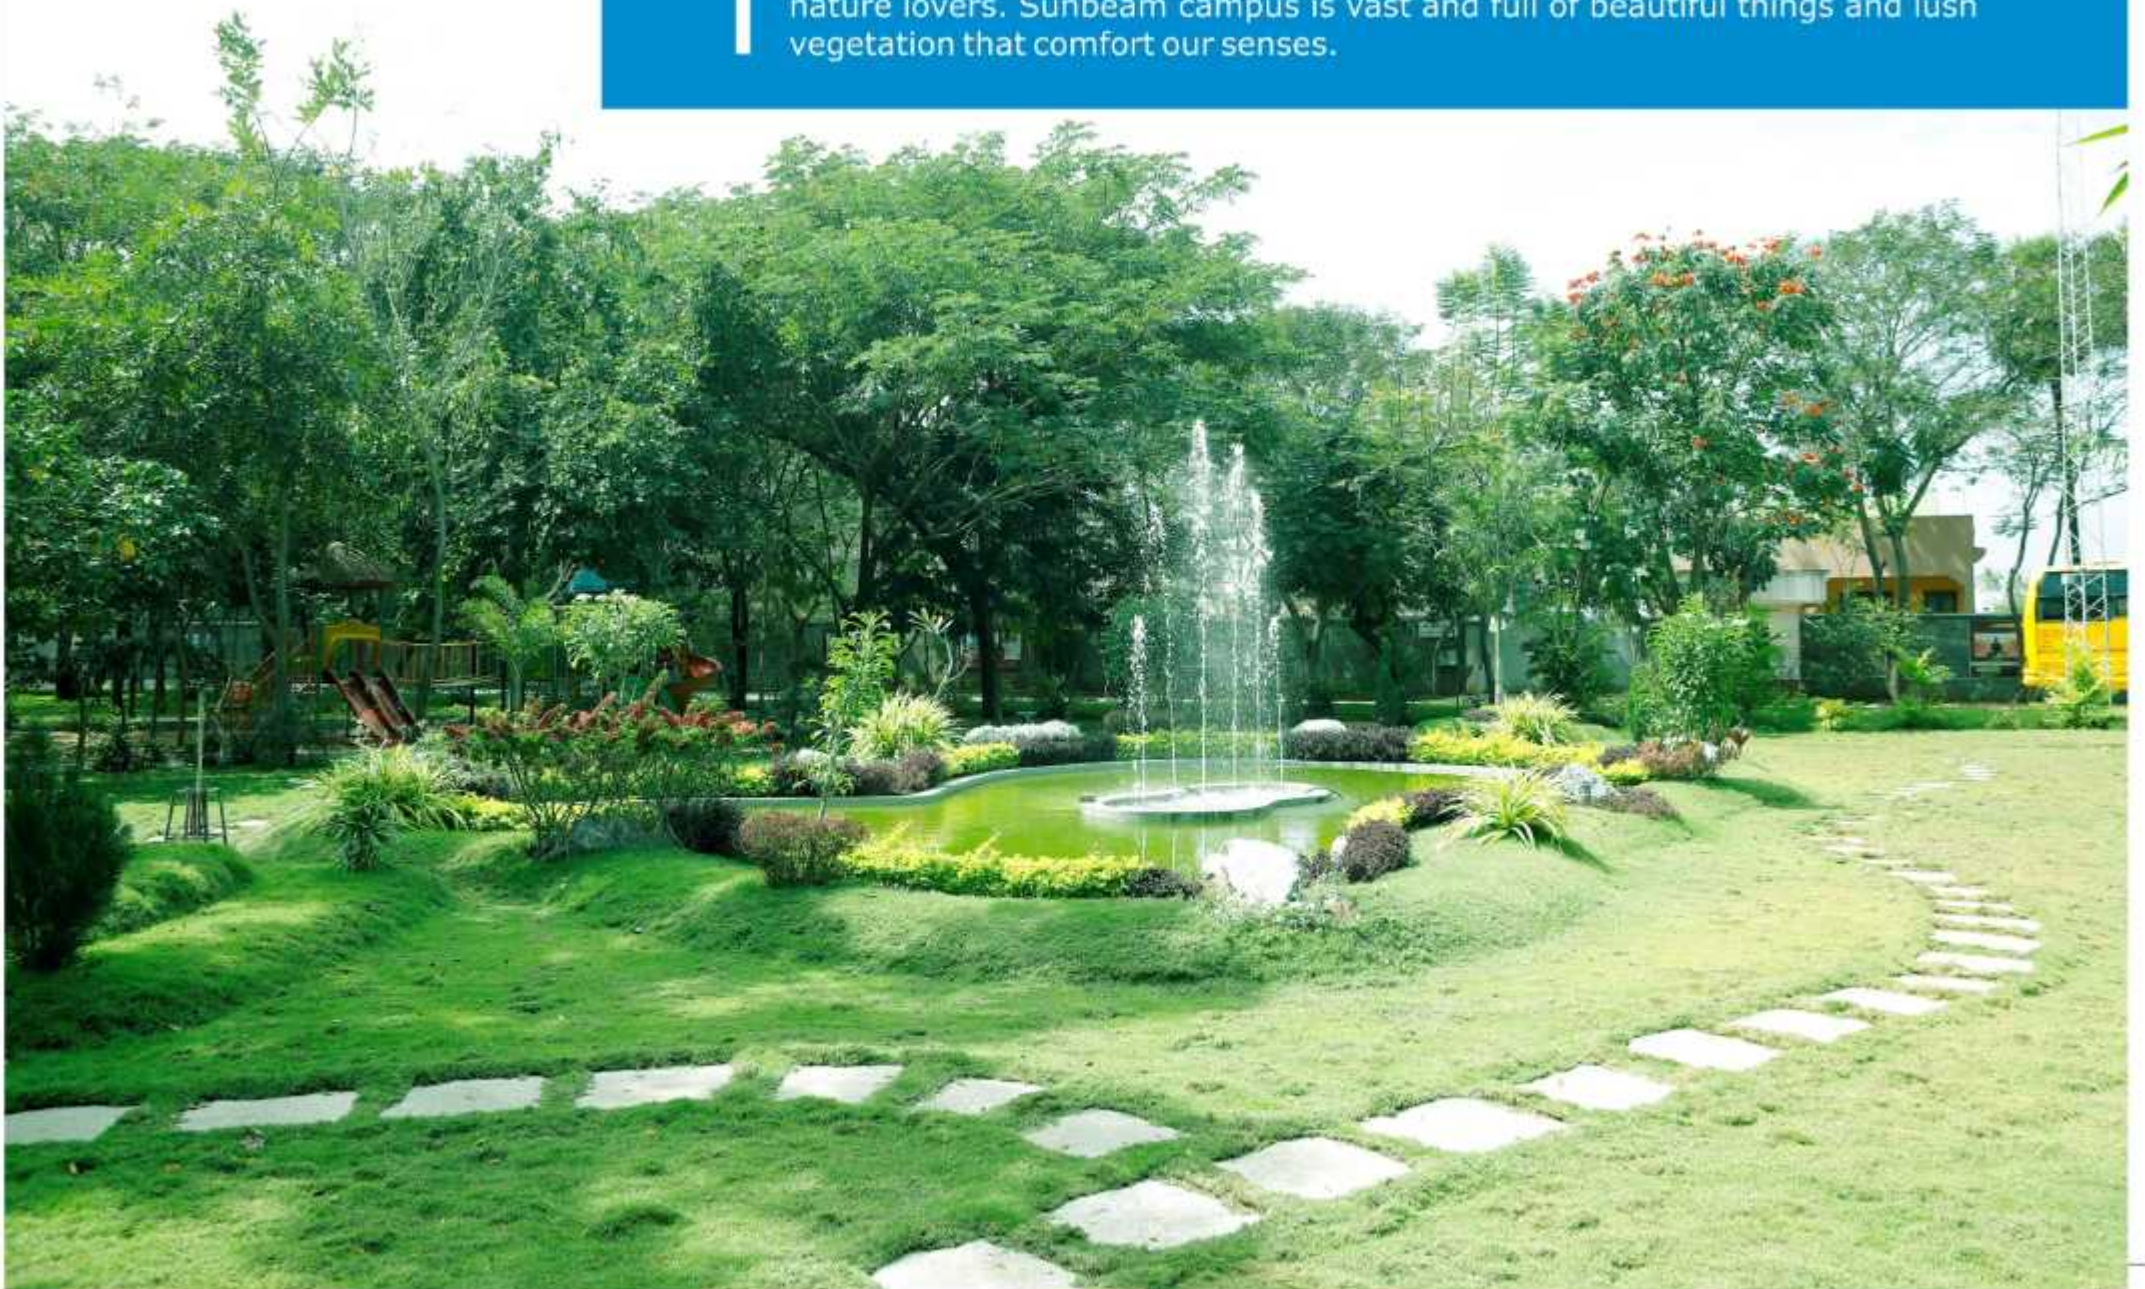

Hearty welcome to Sunbeam!

Children must be taught how to think,
not what to think.

When students walk through the Sunbeam campus, they will feel respected because of what the sunbeam family has allowed for our students to participate in and experience.

Dr. H. George Arvind, M.B.B.S.,
Vice Chairman

"Educating the mind without educating the heart is no education at all". At Sunbeam, we strive for a 'value-centric' education system.

Sunbeam promises to provide holistic education for our students in a secure and nurturing environment.

Dr. Joan Arthi, M.D.,(GM) M.D.,(Pulmo) (USA)
Super Speciality in Pulmonology & Critical Care
Vice Chairman

It is the mark of an educated mind to be able to entertain a thought without accepting it.

At Sunbeam there are lots of spaces outside the classrooms for collaboration so that there are lots of opportunities for the kids to spread out.

The two Air conditioned artistically furnished libraries of Sunbeam have been acclaimed as the best. The Matric library has more than 20,000 volumes and the CBSE library has 25,000 chosen books. The Sunbeam libraries' ambience attracts all the children of the school. The libraries are completely accessible to all students and teachers.

More than a hundred leading magazines and periodicals are on subscription. Notable ones are The National Geographic, Time, Competition Success Review, Reader's Digest, The General Knowledge Refresher etc. Every year we upgrade our libraries and important titles relevant to school children get added. Books of Literature, Biographies, Comics, Classics, Self Development, History, Personality Development, all Sciences, Encyclopedia, Reference Books, Story Books, Folk Tales etc., are carefully chosen and stocked. Every Sunbeamian is trained to borrow, read and return books properly. Book reviews are held and all the children participate enthusiastically. Book exhibitions are conducted and children are encouraged to buy books and build their own home libraries.

SUNBEAM SCHOOL OF
EXCELLENCE (CBSE)

Air-conditioned
LEGO Robotics Lab

The science, technology, engineering, and mathematics (STEM) fields are collectively considered the keystones of an advanced society. One of the innovative and effective methods of teaching STEM Education is through Electronic Building Blocks, Robotics & 3D Printing. Our Lego Robotics lab provides an exciting hands-on / exploratory learning experience to the students and at the same time help to improve their analytical and problem-solving skills.

Air-conditioned
Compu-Net Lab

Our air-conditioned Compu-net lab with 100 systems, is equipped with hi-speed broadband facility and 24 hours power back-up from our Generators. Expert resource persons manage the compu-net lab. Multimedia integration is provided to the students.

Air-conditioned
LADY HAWK
Language Lab

Our English Language lab is furnished with internationally acclaimed software packages to train our children on the right accent and diction. Classes are provided to all children and devoted resource persons are involved.

Math Lab

A great place to befriend numbers with cognitive learning and analytical reasoning.

Virtual Reality Lab

for an immersive and interactive learning scenario

Kindergarten

1300 sq ft Kindergarten Classroom

Sunbeam is a special place to the future leaders of our community,
our region our state and our nation.

Enthusiasm to Communicate

Sunbeam trains every child to communicate skillfully. Public speaking ability and soft skills development are given priority. All children are encouraged to overcome stage fear and develop narrative skills.

Expressing Individuality

Sunbeam strives to identify individual talent in every child and nurture it. A free and inclusive atmosphere is cultivated to allow children to express their individuality. Students council is organised to preserve the freedom of expression of children.

Friends for Life

Being a secular school with a broad outlook, Sunbeam serves as a breeding ground for building everlasting friendship among children. Camaraderie among Sunbeamians provides a stressfree schooling experience.

Interactive Learning

Learning with the aid of multimedia technology raises the curiosity of our children. Exploration of the unknown has become an easy practice through interactive learning.

Inspirational Teaching

Sunbeam educates its educators to enhance their skills and sustain the spirit of enthusiasm. Hence every Sunbeam teacher is equipped with special teaching tools to impart inspirational teaching.

Safe and Supportive Learning Environment

Sunbeam is committed to providing inclusive education without discrimination.

Voyage of Discovery

Provision of well furnished labs, libraries, activity centers, science park and study halls eases the voyage of discovery that Sunbeam expects every child to make. We nurture an atmosphere that encourages inquisitiveness and the 'questioning spirit'.

Essentials of the Art of Technology

The fibre optics backbone facility coupled with CCTV systems, broadband facility with sufficient terminals and separate browsing facilities for the faculty has created a tech-rich environment.

Learning is Fun

Through multimedia, unique DVD contents, play way methods of learning, interesting project works, activity based learning and action-oriented content coupled with arts and crafts, Learning is both interesting and fun at Sunbeam.

The huge auditoriums with 4000, 750 and 400 capacity, within the sunbeam campus provides the Sunbeamians with opportunities for social and educational interaction.

Air-conditioned Audio Visual Centre & Conference Hall

T

he Conference Hall can accommodate 125 children and is constructed in a very attractive setting. Large screen LCD projection, conference settings, full surround audio, OHP and slide projection and comfortable seating facility have been provided. Rich collection of DVDs, CDs and videos on all child friendly topics are available.

3D Printing & Foldscope Lab

3D Printing is a matter of bringing objects out of the computer screen and into the hands of students for inspection, analysis, and other processes that can benefit from physical manipulation. 3D printers may eventually be able to bridge the gap between the physical and the digital - use a screen to find what you need, then print it into existence.

Foldscope, a student-friendly microscope that fits into a geometry box, can make children love science, enjoy science and ultimately develop a scientific temper. The foldable Origami microscope can be used as an education and research tool.

Thiruvalluvar Hall

650 Capacity fully air conditioned Thiruvalluvar Hall with the best theatrical effect, audio visual system is used for all types of school events, parents meeting and guest lectures. Powerpoint projector, large screen, conference settings are provided. Rich collection of DVDs, CDs and videos on all child friendly topics have been made available.

Greater Sunbeam Auditorium

The greater auditorium is a unique facility. Our auditorium is 20000 sqft. In size and can accommodate more than 4000 people. Innumerable state level competitions, seminars, workshops, symposiums, review meetings, debates and conferences take place at our auditorium. Lighting facility, audio arrangements, and an immaculate permanent stage are available. Complete extra curricular, Inter-house activities, competitions, etc. are staged in our auditorium.

The 20000 sqft. multipurpose auditorium serves as our community forum to be a great place for staff and students to gather and collaborate and work on projects. It is a place where students gather for formal events like group meetings, and student assemblies. It is also where students can eat lunch and spent time before and after school.

Transport Facility

A large fleet of transport vehicles comprising 60 buses, 3 vans, 1 ambulance, 2 omni vans, 4 cars, a water tanker of 25000 litres capacity and 2 goods vehicles serves Sunbeam. All the transport vehicles are provided with sufficient service staff to protect and take care of the students during the mornings and evenings. Sunbeam vehicles all put together ply through a distance of more than 2100 kms every day.

Medical Dispensary

Medical Dispensary with a full time paramedic and doctor on call, to attend to emergencies and treat our children. Sunbeam also has a dedicated ambulance on standby.

SUNBEAM INTERNATIONAL SCHOOL (CBSE)

At Sunbeam we are always looking at ways of improving the facilities

FOUR STUDENTS CLEARED HT JEE ADVANCE

There are very few students who have cracked HT JEE advanced from the Vellore district till this year. Last year the Sunbeam & Learning Point team trained one boy Prithvi Anand Kumar and he successfully cracked HT JEE Advanced and got admitted to IIT Durgam with a National rank of 2285. For the first time in the history of Vellore, the Sunbeam & Learning Point team under the leadership of Dr. George Arvind MBBS, has made it possible for four students from Sunbeam CBSE & Matric school to qualify in JEE advanced and gain admission into the prestigious IITs of India. The Sunbeam CBSE students V. Lakshmi has scored an All India Rank of 2401, S. Madhan 6508, and CBSE response A. V. Madhusudha 6956, and one Matric student K. Rishi Marupan has scored 5094. All these triumphant candidates have become eligible to enter into B.Tech. courses in IIT. Two of the four successful candidates, one from the state board matriculation stream Rishi Marupan and a girl Madhusudha deserve a special mention. The Sunbeam Chairman and Learning Point Founder Director Hariprasad and the Sunbeam Correspondent and Learning Point Director National Best Teacher Awardee, Mrs. Thangamkash approached the achievers, the Director, teachers, and all other staff members who were behind this outstanding success. Mr. Hariprasad stated that a grand function would be organized to distribute awards and cash prizes to these special achievers in a short while.

Sunbeam promises to provide holistic education for our students in a secure and nurturing environment.

ACCOMPLISH YOUR GOALS

Sunbeam creates avenues to provide every child an opportunity to realize his/her full potential. Special coaching is available for Cricket, Roller-skating, Tennis, Table-Tennis, Shuttle, Throwball, Carom, Chess, Volleyball, Football and Handball.

Sunbeam has a professionally made Cricket pitch, a floodlit Basketball court, 6 Volleyball courts, a Football field, 2 Handball and 2 Throwball courts. We have two Table tennis indoor courts, a grand indoor Shuttle court with synthetic flooring and a Tennis complex. We have added a new tournament size Hockey field too.

SPORTSBEAM SUMMER COACHING CAMP

Every year we conduct summer sports coaching camp for more than 300 Sunbeamians. Training in all kinds of games like basketball, football, tennis, cricket, volleyball, throwball, badminton, table tennis and roller skating would be given by renowned coaches.

CELEBRATIONS AT SUNBEAM

Celebrations like Christmas, Pongal, Diwali, Ramzan, etc. are celebrated in a grand manner in Sunbeam. Days of importance like the Independence day, Republic day, Children's day, Teacher's day, Mother's day, Charity day, etc. are also celebrated, to instill patriotism, love and respect.

The parent teachers association conducts various motivation programmes. Eminent personalities like Supreme Court Judges, High Court Judges, Chancellors, Senior IAS and IPS officers, Ministers, great Speakers, Achievers and Motivators are invited.

EXTRA - CURRICULAR ACTIVITIES

Sunbeam develops the extra-curricular and co-curricular abilities of all the Sunbeamians with care. Separate teams of teachers are engaged in training the children in western music, carnatic, instrumentals, bharatanatyam and western dance. Regular classes are conducted. Sunbeamians are taken out for various inter-school competitions.

Sunbeam fest

The Sunbeam Fest was a gala event where the exemplary showcase of talents dazzled the viewers. With lights, cameras, colourful attires, and a grand stage, the Sunbeamians swayed and enjoyed as if there was no tomorrow. The majestic grandeur of the event with 10,000 strong audience was the talk of the town. Exceptionally well co-ordinated performances along with hawk eyed security system were there to maintain the decorum of such a grand show. All the students looked every bit of a showstopper. Also, special mention needs to be given to the food court that filled the air with mouthwatering aroma. With lip smacking delicacies and performances which were high on energy, one cannot shy away from calling it a grand fiesta. No doubt it excites such a furore among the students as well as the faculty and the whole year they await with much anticipation and excitement to take part in this carnival.

SUNBEAM EXCURSIONS

*i*nnumerable excursions have been successfully accomplished by Team Sunbeam. Almost all the places of historical and National importance have been visited by Sunbeamians and every excursion has turned out to be an unforgettable experience for the enthusiastic youth.

Dr. Justice. A.R. LAKSHMANAN Supreme Court Judge

The moment I entered into Sunbeam School I could Judge as to how well the infrastructure, atmosphere and surroundings have been created. Harigopalan has come from Nagercoil and built up such a successful school. That proves his dedication towards education and his care for the people of Vellore.

Dr. P.R. GOKULAKRISHNAN Chief Justice of Gujarat

While most of the private schools are run for making money, I witnessed Sunbeam as a rare school run sincerely for the cause of education amidst lot of challenges and hurdles. Keeping in line with Harigopalan's dedication, the Sunbeamians also win laurels both in education and games year after year upto the National level.

Dr. G. VISWANATHAN Chancellor, VIT

Harigopalan and his wife have converted vellore as their motherland and served outstandingly for more than 30 years and created a magnificent institution. All facilities coupled with National best teacher award and outstanding results year after year with district and state ranks have made Sunbeam, the most sought after school in Vellore.

Shri. W.I. DAVARAM, I.P.S., DGP, Tamil Nadu (Retd.)

I have come to Sunbeam thrice in 25 years. Harigopalan has made Sunbeam into one of the biggest schools in TamilNadu. The children who study here have been consistently topping at district level and state level both in Matric and CBSE. The Libraries, Computer Labs and Language Labs of Sunbeam are great boon to the children. I prepared IPS through club libraries. I wish that all Sunbeamians should be proud about their school and the great training that they undergo.

Mr. V. IRAIANBU, I.A.S.,

I know that running a school is a big challenge. I do not go to all schools just when I am called; I came to know from reliable sources that Sunbeam provides quality education to thousands of children. I have come with a special interest to support this process of making and moulding young minds.

Mr. BALAKRISHNAN, I.P.S., Deputy Commissioner of Police,

Parents and teachers should evolve as responsible people keeping in mind the children's future. Mr. Harigopalan in this context renders all encouragement and support and he himself is a role model and a great man and I am happy to mention that.

Prof. SOLOMON PAPIAH

Sunbeam is the only school which has got teachers, Principal, Chariman and Parents who render tireless service to bring up district level, state level and national level achievers. All these people and all the children of Sunbeam are my total family. Harigopalan was my student in American College, I feel proud to have taught him as his Professor.

Justice CHANDRU

Sun's rays are the best disinfectant. Sunbeam serves as a germicide to eradicate ignorance. I feel jealous seeing the facility, infrastructure and atmosphere provided by 'Sunbeam'. I came to know that Sunbeam strictly follow RTE free education scheme. And I am much pleased about this principled stand of this great school.

Dr. C. SYLENDRA BABU, I.P.S.,

Every child of Sunbeam is well motivated dedicated and focused. I feel happy to mingle with you. The way in which you have been moulded by your chairman who speaks so valiantly like Veerapandiya Kattabomman and your correspondent, principal and all your teachers impress me. Every Sunbeamian should be a champion.
