Dr. V. IRAIANBU, IAS, Former Chief Secretary to the Govt. of Tamil Nadu, as our Chief Guest during, "Exams made easy" workshop at Sunbeam CBSE school, Vellore

A cres and acres of huge space has been made available because we wanted flexible spaces that would adjust over the next 100 years of education and increase student collaboration.

Foreword

Dr. T. Harigopalan M.A., L.L.B., Ph.D.,
Honorary Chairman

The purpose of education is to turn "Mirrors into Windows". Sunbeam provides multi dimensional opportunities for the development of every child. We understand that all children are unique. Sunbeam strives to move beyond the traditional 'Academics centered' education towards a 'personality centered' education system. Our pedagogy is an integration of knowledge, skills, ethics, morals and social inclusion.

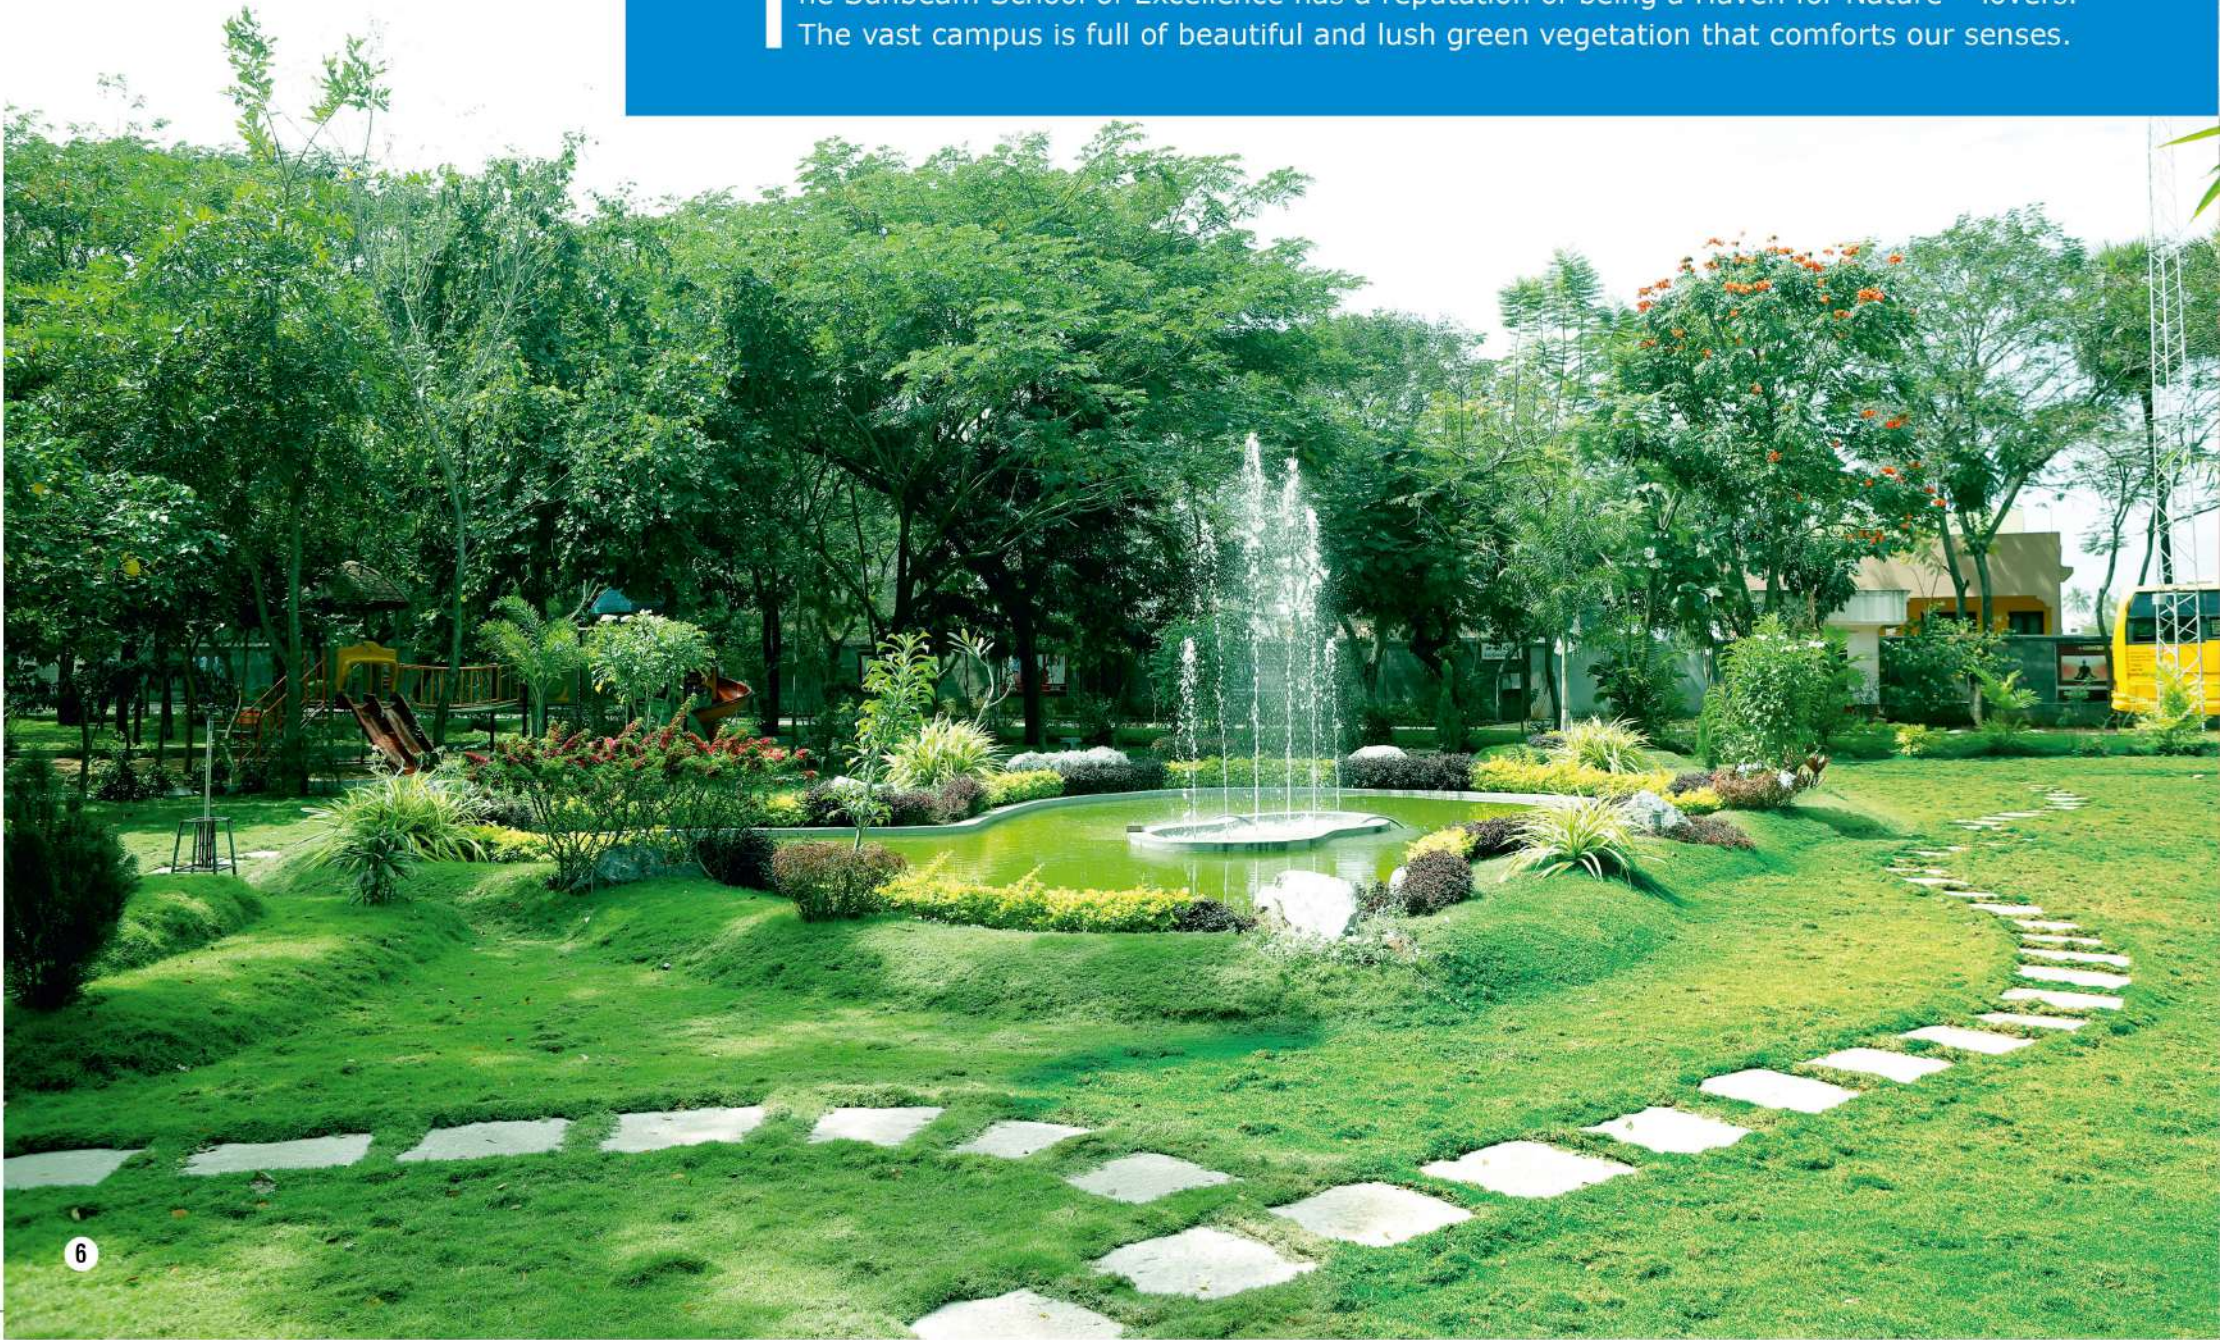

Parents and families of students are always welcome to the Sunbeam campus. Please support us in providing quality education by leading the school clubs, supporting in remedial sessions and meet to strive for the betterment of Team Sunbeam.

Sunbeam believes that the goal of education is to make the children excel not only academically but also in character.

The team spirit and patriotism at Sunbeam is strong. You see it in our teachers, students and parents.

Hearty welcome to Sunbeam!

The Sunbeam School of Excellence has a reputation of being a Haven for Nature – lovers. The vast campus is full of beautiful and lush green vegetation that comforts our senses.

Children must be taught how to think,
not what to think.

When students walk through the Sunbeam campus, they will feel respected because of what the sunbeam family has allowed for our students to experience.

Dr. H. George Arvind, M.B.B.S., PgD(Harvard)
Vice Chairman

“Educating the mind without educating the heart is no education at all”. At Sunbeam, we strive for a ‘value-centric’ education system.

Sunbeam promises to provide holistic education for our students in a secure and nurturing environment.

Dr. Joan Arthi, M.D.,(GM) M.D.,(Pulmo) (USA)
Super Speciality in Pulmonology & Critical Care
Vice Chairman

It is the mark of an educated mind to be able to entertain a thought without accepting it.

At Sunbeam there are lots of spaces outside the classrooms for collaboration so that there are lots of opportunities for the kids to spread out.

SUNBEAM SCHOOL

4000 Sq.ft AIR-CONDITIONED "BOOKTOPIA" LIBRARY

The Sunbeam School of Excellence now has the biggest library on campus.

It has 35,000 books, categorised into various sections. The Sunbeam "BOOKTOPIA", opening doors to infinite learning, attracts all the children of the school. The library is accessible to the students and teachers alike. To enhance BOOKTOPIA'S elegance and accessibility, it is fitted with a 16 persons capacity lift.

More than Fifty leading magazines and periodicals are on subscription. Notable ones are the National Geographic, Time, Competition Success Review, Reader's Digest, the General Knowledge Refresher etc. Every year we upgrade our library and important titles relevant to school children get added. Books of literature, Biographies, Comics, Classics, Self - development, History, Personality Development, all Sciences, Encyclopedias, Reference Books, Story books, Folk tales etc., are carefully chosen and stocked. Every Sunbeamian is trained to borrow, read and return books properly. Book reviews are held and all the children participate enthusiastically. Book exhibitions are conducted and children are encouraged to buy books and build their own home libraries.

“SPECIAL A/C CLASSROOMS”

Air-Conditioned, spacious and well-lit classrooms, designed with flexible seating to accommodate and help students study better. In order to provide a stimulating and interactive environment, Sunbeam has specially designed these classrooms.

Sunbeam's special air-conditioned classrooms provide students with an ideal setting for focused learning. Designed to enhance comfort and productivity, these classrooms create a temperature-controlled environment that allows students to concentrate on their studies without distraction of external weather conditions.

SUNBEAM SCHOOL OF EXCELLENCE (CBSE)

Air-conditioned LEGO Robotics Lab

The science, technology, engineering, and mathematics (STEM) fields are collectively considered the keystones of an advanced society. One of the innovative and effective methods of teaching STEM Education is through Electronic Building Blocks, Robotics & 3D Printing. Our Lego Robotics lab provides an exciting hands-on / exploratory learning experience for the students and at the same time help to improve their analytical and problem-solving skills.

Air-conditioned LADY HAWK Language Lab

Our English language lab is furnished with internationally acclaimed software packages to train our children with the right accent and diction under the guidance of qualified teachers.

Air-conditioned Compu-Net Lab

Our air-conditioned Compu-net lab with 100 systems, is equipped with hi-speed broadband facility and 24 hours power back-up from our Generators. Expert resource persons manage the compu-net lab. Multimedia integration is provided to the students.

SUNBEAM'S PEDAGOGY

Enthusiasm to Communicate

Sunbeam trains every child to communicate skillfully. Public speaking ability and soft skills development are given priority. All children are encouraged to overcome stage fear and develop narrative skills.

Expressing Individuality

Sunbeam strives to identify individual talent in every child and nurture it. A free and inclusive atmosphere is cultivated to allow children to express their individuality. Students council is organised to preserve the freedom of expression of children.

Friends for Life

Being a secular school with a broad outlook, Sunbeam serves as a base for building everlasting friendship among children. Camaraderie among Sunbeamians Provides a stress free schooling experience.

Interactive Learning

Learning with the aid of multimedia technology raises the curiosity of our children. Exploration of the unknown has become an easy practice through interactive learning.

Inspirational Teaching

Sunbeam educates its educators to enhance their skills and sustain the spirit of enthusiasm. Hence every Sunbeam teacher is equipped with special teaching tools to impart inspirational teaching.

Safe and Supportive Learning Environment

Sunbeam is committed to providing inclusive education without discrimination.

Voyage of Discovery

Provision of well furnished labs, libraries, activity centers, science park and study halls eases the voyage of discovery that Sunbeam expects every child to make. We nurture an atmosphere that encourages inquisitiveness and the 'questioning spirit'.

Kindergarten

Essentials of the Art of Technology

The fibre optics backbone facility coupled with CCTV systems, broadband facility with sufficient terminals and separate browsing facilities for the faculty has created a tech-rich environment.

Learning is Fun

Through multimedia, unique DVD contents, play way methods of learning, interesting project works, activity based learning and action-oriented content coupled with arts and crafts, Learning is both interesting and fun at Sunbeam.

VICTORY HALL

This is the Public Relations Office, to build relationship between the school and stakeholders.

3D Printing & Foldscope Lab

3D Printing is the technology of bringing objects out of the computer screen into the hands of students for inspection, analysis and other processes that can benefit from physical manipulation. 3D printers may eventually be able to bridge the gap between the physical and the digital by using a screen to find what you need and then print it into existence.

Foldscope, the student-friendly microscope that fits into a geometry box, can make children love science, enjoy science and ultimately develop a scientific temper. The foldable Origami microscope can be used as an education and research tool.

Thiruvalluvar Hall A/C

500 Capacity fully air conditioned Thiruvalluvar Hall with the best theatrical effect audio visual system is used for all types of school events, parents meetings and guest lectures. Powerpoint projector, large screen & conference settings are provided.

VISIONARY HALL AUDITORIUM

Our auditorium is a unique facility. VISIONARY HALL is 20000 sqft. in size and can accommodate more than 4000 people. Several state level competitions, seminars, workshops, symposiums, review meetings, debates and conferences take place at our auditorium. Lighting facility, audio arrangements, and an immaculate permanent stage are available.

The multipurpose auditorium serves as a great place for staff and students to collaborate and work on projects. It is a place where students gather for formal events like group meetings, and student assemblies. It is also where students can eat lunch and spend time before and after school.

Transport Facility

A large fleet of transport vehicles comprising 40 buses, 6 vans, 1 ambulance, 2 omni vans, 8 cars, a water tanker of 25000 litres capacity and 2 goods vehicles serve Sunbeam. All the transport vehicles are provided with sufficient service staff to protect and take care of the students during the mornings and evenings .

Infirmary

Infirmary has a full time paramedic and doctor on call, to attend to emergencies and treat our children. Sunbeam also has a well-equipped ambulance on standby.

Justice Thiru.C.Saravanan, High Court of Madras, Chennai campus for Sunbeam Day 2019.

Dr. Justice. A.R. LAKSHMANAN

The moment I entered into Sunbeam School I could Judge as to how well the infrastructure, atmosphere and surroundings have been created. Harigopalan has come from Nagercoil and built up such a successful school. That proves his dedication towards education and his care for the people of Vellore.

Dr. P.R. GOKULAKRISHNAN

While most of the private schools are run for making money, I witnessed Sunbeam as a rare school run sincerely for the cause of education amidst lots of challenges and hurdles. Keeping in line with Harigopalan's dedication, the Sunbeamians also win laurels both in education and games year after year upto the National level.

Dr. G. VISWANATHAN

Harigopalan and his wife have converted vellore as their motherland and served outstandingly for more than 30 years and created a magnificent institution. All facilities coupled with National best teacher award and outstanding results year after year with district and state ranks have made Sunbeam, the most sought after school in Vellore.

Shri. W.I. DAVARAM, I.P.S.,

I have come to Sunbeam thrice in 25 years. Harigopalan has made Sunbeam into one of the biggest schools in Tamil Nadu. The children who study here have been consistently topping at district level and state level both in Matric and CBSE. The Libraries, Computer Labs and Language Labs of Sunbeam are great boons to the children. I prepared IPS through club libraries. I wish that all Sunbeamians should be proud about their school and the great training that they undergo.

Mr. V. IRAIANBU, I.A.S.,

I know that running a school is a big challenge. I do not go to all schools just when I am called; I came to know from reliable sources that Sunbeam provides quality education to thousands of children. I have come with a special interest to support this process of making and moulding young minds.

Mr. BALAKRISHNAN, I.P.S.,

Parents and teachers should evolve as responsible people keeping in mind the children's future. Mr. Harigopalan in this context renders all encouragement and support and he himself is a role model and a great man and I am happy to mention that.

Prof. SOLOMON PAPIAH

Sunbeam is the only school which has got teachers, Principal, Chariman and Parents who render tireless service to bring up district level, state level and national level achievers. All these people and all the children of Sunbeam are my total family. Harigopalan was my student in American College, I feel proud to have taught him as his Professor.

Justice CHANDRU

Sun's rays are the best disinfectant. Sunbeam serves as a germicide to eradicate ignorance. I feel jealous seeing the facility, infrastructure and atmosphere provided by 'Sunbeam'. I came to know that Sunbeam strictly follow RTE free education scheme. And I am much pleased about this principled stand of this great school.

Dr. C. SYLENDRA BABU, I.P.S.,

Every child of Sunbeam is well motivated dedicated and focused. I feel happy to mingle with you. The way in which you have been moulded by your chairman who speaks so valiantly like Veerapandiya Kattabomman and your correspondent, principal and all your teachers impress me. Every Sunbeamian should be a champion.

GUESTS OF HONOUR

Hon'ble Mr. Justice D.HARIPARANTHAMAN (Retd)

I am happy to register the fact that this Family which runs the Sunbeam Schools is known to me and is close to my heart for the reason that they have lofty ideas that they observe steadfastly in the field of education

Hon'ble Mr. Justice D.HARIPARANTHAMAN (Retd) at Sunbeam Matric HSS ,Chennai.

Dr. ANOOP JAISWAL (Retd), Director General of Police Tamilnadu.

Dr. ANOOP JAISWAL DGP (Retd)

I have come to Sunbeam Chennai and Vellore several times and everytime I come I find massive improvement in many areas. I must appreciate Mr. Hari and his team for building up such a wonderful School, putting in all their hearts.

Hon'ble Mr. Justice V.PARTHIBAN

When I see Sunbeam Schools I get the feel of being present in a university because Sunbeam provides unbelievable levels of infrastructure and facilities.

Hon'ble Mr. Justice V.PARTHIBAN at Sunbeam Schools, Vellore

Mr. JANGID, IPS Director General of Police (Retd)

Mr. JANGID, IPS

Harigopalji, has crossed too many obstacles and built a monumental institution much to the appreciation of many. I also have a dream to build a school at my place for the poor and the needy. I'm inspired furthermore as I see the way in which the Sunbeam Schools are run so meticulously.

Hon'ble Ms. Justice S.VIMALA, Judge MHC (Retd)

Sunbeam Schools involve in multifarious social activities including the promotion of literature which makes me very happy. It is very rare to see a private School take so much pains for the sake of providing quality education.

Hon'ble Ms. Justice S.VIMALA, Judge MHC (Retd) at Sunbeam Schools, Vellore.

Dr. A. DHEEPAK SELVARAJ, MS, MRCS, MCh Prof. & HOD of Vascular Surgery Associate Director (CMC Ranipet) during the BOOKTOPIA Inauguration, Sunbeam Schools, Vellore

Dr. A. DHEEPAK SELVARAJ, MS, MRCS, MCh

I'm happy to declare through all of you that Sunbeam is the best School in Vellore, Tamil Nadu and the whole of India. when I look at the BOOKTOPIA library I'm so impressed that I would rate it as "International Quality" which is very rare for a place like Vellore. Just like Ida Scudder has made history with her CMC and Dr. G. Viswanathan with VIT, I must say that Dr. Harigopalan has made history with his Sunbeam.

Hon'ble Mr. Justice M.GOVINDARAJ

When I see the Sunbeam natural scenic campus, my thoughts go back to my School days and I feel jealous of all the children sitting here who have been provided with such world quality infrastructure and education.

Hon'ble Mr. Justice M.GOVINDARAJ at Sunbeam Schools, Vellore.

Hon'ble Mr. Justice R.MAHADEVAN, Judge MHC at Sunbeam Schools, Vellore.

Hon'ble Justice Shri. M.M. SUNDRESH, Judge, Supreme Court of India at Sunbeam Schools, Vellore.
